

# FALCON HIGHLANDS METROPOLITAN DISTRICT

Falcon Highlands Newsletter

Special 2019/2020 Edition

## FHMD Board Meeting

The next Falcon Highlands Metropolitan District Board Meeting will be held at 5:30PM on January 13th 2020. We will meet at the Falcon Fire Station #3 on Old Meridian Road & US24. Residents and property owners are invited.

## Emergency Interconnect Project

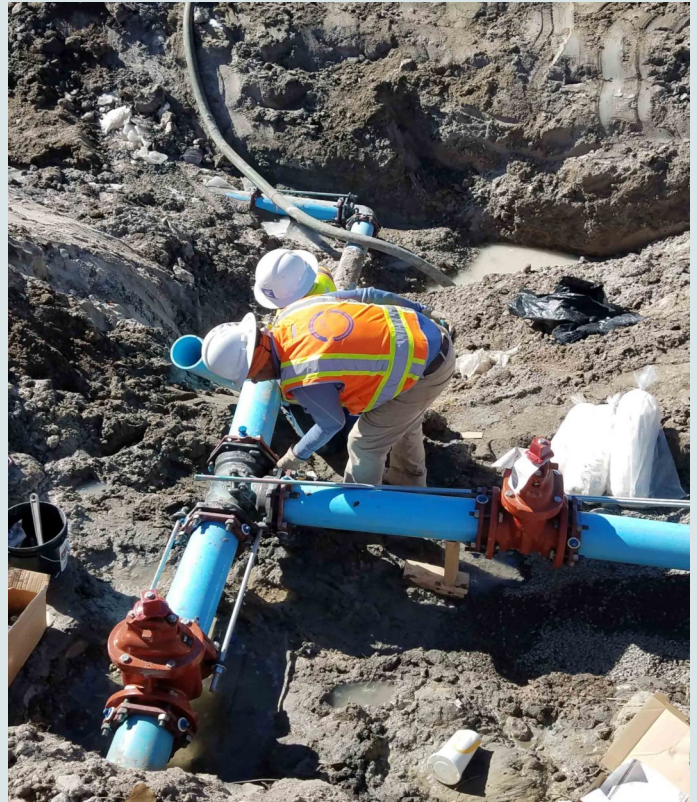

Shortly following the Board's action in August, construction on an emergency water interconnect system with Woodmen Hills Metropolitan District began (pictured on the right). The interconnect is scheduled to be completed in November. This project provides a redundancy in water resources for the Falcon Highland Metro District consumers in the case of emergencies to avoid interruption in services.

## Unauthorized Access

Parking or driving on District-owned property without District Management's permission is not permitted. Owners will be held liable for all expenses associated with unauthorized access.

## District Playground

District Management is in the process of finalizing repairs following an audit of the District's playground. The residents' patience and understanding during this process is appreciated.

## District Contacts

**Josh Miller, *District Manager***
